

HOLIDAY TRIBUTE FUND

benefiting the Washington Legal Clinic for the Homeless

A special way to honor the important people in our lives during the holiday season...

Please consider a **Tribute Gift** to the Washington Legal Clinic for the Homeless this holiday season! When you are looking for a way to pay tribute to a loved one or client, a gift to the Legal Clinic through the Tribute Fund is a unique way to let someone in your life know you care about them and is a great way to support our organization's work. We will send your recipient a special acknowledgment of the gift you have made in his or her name. We will send you our acknowledgement of your donation, which will also serve as your receipt for tax purposes.

In the past, contributions from caring and concerned people like you have allowed us to recruit and train new volunteer attorneys, open a new intake site to better serve our Spanish-speaking neighbors, and successfully advocate for the development of more affordable housing in the District of Columbia. However, there is still much work to be done. Again, on behalf of our clients, volunteers and staff, I thank you for your thoughtful support of the Legal Clinic's work.

What better way to honor those special people in your life than to turn your good wishes into help for people in need?

You may use this page to offer a tribute gift. Just e-mail or fill out and send it to:
